

TEAM AGREEMENT

1. Team Information

- **Project Title:** Weather Wear
- **Team Name:** Bad Ideas
- **Team Members and Roles :**
 - Helloween James – Project Manager & Machine learning engineer
 - Gracia Betty Jebaraj Daniel – Front-end developer & UI/UX Designer
 - Tejaswini Kandyala – Front-end developer
 - Mohith Durga Srinivas Tripuramallu – Back-end Developer
 - Bharadwaj Reddy Asireddy - Back-end Developer & UI/UX Designer
 - Sai Rajeswari Ghanta - Quality Assurance (QA) Tester

2. Meetings and Communication

We will meet twice a week and we shall use what's app, email, outlook and Zoom as our communication for any updates and response should be within 2-3hrs.

3. Work Distribution

Everyone in the team agrees to share the work equally and if any member feels overwhelmed, we will redistribute the tasks.

4. Conflict Resolution

- If we have any sort of disagreement in the tasks, we'll talk it through vote.
- If the conflict cannot be resolved internally, we will reach professor for an advice

5. Deadlines

- We will set deadlines for each task and everyone agrees to stick to them and if someone can't meet a deadline, they should inform the team in advance.

- We agree to submit everything on time, with everyone's contribution.
