TEAM AGREEMENT

1. **Team Information**

● **Project Title:** Weather Wear
● **Team Name:** Bad Ideas
● **Team Members and Roles:**

   o Helloween James – Project Manager & Machine learning engineer

   o Gracia Betty Jebaraj Daniel – Front-end developer & UI/UX Designer

   o Tejaswini Kandyala – Front-end developer

   o Mohith Durga Srinivas Tripuramallu – Back-end Developer

   o Bharadwaj Reddy Asireddy - Back-end Developer & UI/UX Designer

   o Sai Rajeswari Ghanta - Quality Assurance (QA) Tester

2. **Meetings and Communication**

We will meet twice a week and we shall use what's app, email, outlook(pace) and Zoom as our communication for any updates and response should be within 2-3hrs. An in-person meeting an hour before our class for major updates.

3. **Work Distribution**

Everyone in the team agrees to share the work equally and if any member feels overwhelmed, we will redistribute the tasks.

4. **Conflict Resolution**

● If we have any sort of disagreement in the tasks assigned, we'll talk it through vote.
● If the conflict cannot be resolved internally, we will reach the professor for an advice.

5. **Deadlines**

● We will set deadlines for each task and everyone agrees to stick to them and if someone can't meet a deadline, they should inform the team in advance.

● We agree to submit everything on time, with everyone's contribution.
